## PROFILE

My name is Juan, I'm 21 years old and I'm from Venezuela. I'm very passionate about web development and technology. I dedicate myself completely to everything I do so that it is the best of the best, I'm creative, fun and I assure you that you will like me very much if you meet me.

I'm a Front End Developer with more than three year of work experience. I also have Back End knowledge becoming a FullStack Developer.

## EXPERIENCE

### TAUROS

Nov 2019 - Present

Bring the design to the web using React.js, adapting it to various devices and browsers, using the help of APIs to connect the web with various services or systems.

### FREELANCER

Sep 2019 - Present

Offer my services to companies or people who need a solution to their problems through web or mobile development.

### ACADEMIC COACH

Jun 2018 - Jun 2020

Teach through extra classes and workshops to help students perform better.

## EDUCATION

### SYSTEMS ANALYST

Instituto Universitario de Tecnología para la informática | 2017 - 2020
